

If you are going to have a vaccination

Contact the staff if you can answer YES to one of the following questions:

- 1) Have you previously had a serious acute allergic reaction to a vaccination?
- 2) Are you allergic to these drugs: macrogol/PEG/polysorbate 80?
- 3) Has your physician ever warned you against having an intramuscular vaccination – e.g. because of haemophilia (thrombocytopenia)?
- 4) Have you had COVID-19 within the past month?
- 5) Do you have a fever?
