

## Breakfast Seminar & Speed Dating Opportunity - Access to Nordic test facilities

Are you looking for test opportunities at a hospital or test bed in Sweden, Denmark, Norway or Finland? Meet the Nordic test lab network Nordic Proof at Symbion 16<sup>th</sup> May 8.45 -12

Nordic Proof is a network of renowned health institutions and testing hubs in healthcare in the Nordics. Managed by Norway Health Tech, they offer access to professional and efficient test facilities throughout the Nordics and serves as one point of entry to test facility partners. <https://www.nordicproof.org/>

The Nordic Proof partners include Sunnaas Sykehus, Danderyds Sjukhus, Helsinki University Hospital, Oslo University Hospital, Nordic Medtest, Oulo Health Labs and VihTek Test Center for Health Technologies.

If you are looking to test your solution at a suitable hospital or test bed in Sweden, Denmark, Norway or Finland, come and listen to this breakfast presentation and meet them to discuss the opportunities which includes:

- Perform early-phase studies and testing
- Get connected to experts and research collaboration
- Access facilitated trials and documentation
